

# ACQUASOFT CUSTOM BUILD DESIGN SOFTWARE

Launched in 2023,  
the Acquasoft design  
software is free and  
easy to use.

electrical solutions**

# Acquasoft

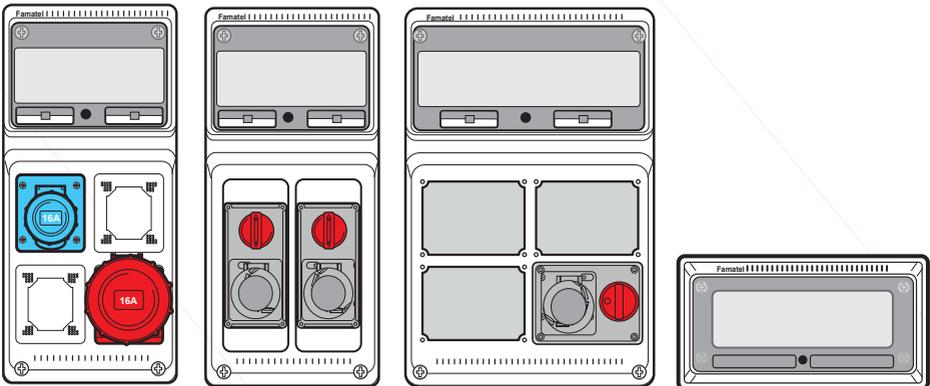

## The software runs in your browser!

There's no downloading and installing,  
so you're always using the latest version.

- Assemble your socket board and circuit breakers easily and safely with our online tool.
- Plan and visualize component layout on a digital schematic before physical installation.
